VIP Lifetime Portable X-Ray Service Warranty

The Limited Lifetime warranty applies to eligible purchases made directly from Diagnostic Imaging Systems, Inc. (DIS) and its Dealers. Warranty coverage applies to the original owner and to the original product. DIS warrants that the unit shall be free from defects in material and workmanship from the date of purchase when the appliance system is used for veterinary purposes and maintained according to the requirements outlined in the Instruction manuals.

What is covered in my warranty?

The original unit deemed defective will be repaired or replaced as long as you have owned the original unit and have had the regular 24 month calibration schedule since the date of purchase. Additionally, if the unit requires replacement, DIS reserves the right to replace the unit with one of equal or greater value. Freight and re-shipment costs Ground or Air Freight are shipped prepaid by Client for warranty claims.

What is not covered?

Normal wear and tear, glassware* (x-ray tube, collimator bulb) and wearable parts such as, hand switches, which require regular maintenance and/or replacement in order to assure the proper functioning of your unit. As such, they are not subject to lifetime warranty coverage and are available for purchase at www.vetxray.com. Any unit that has been tampered with or Damage caused by misuse, abuse, negligent handling or mishandling in transit, consequential and incidental damages.

* Glassware comes with a 2 year warranty
